✉ juha.koponen@borenius.com

Juha is a dual-qualified (Finland and New York) transactional lawyer who focuses his practice on capital markets and public M&A transactions. He has advised issuers and underwriters on public and private offerings of equity and debt securities, including IPOs, high-yield debt offerings, convertible debt issuances and rights offerings. He also regularly advises bidders, target boards, financiers and large shareholders on tender offers. Chambers Global ranks Juha as one of the few US Capital Markets Experts based in Finland (Capital Markets: USA – Foreign Experts). All major legal directories, such as IFLR1000, The Legal 500, and Chambers rank him as a “Market Leader” or a “Leading Lawyer” in capital markets in Finland. Juha is also an international fellow of the American Bar Foundation.

Juha has significant experience in public and private mergers and acquisitions, especially in the cross-border context. Throughout his career, which spans over 25 years, Juha has also gained significant experience in private M&A, venture capital and financing transactions.

Prior to joining Borenius, Juha was a Partner with another major Finnish law firm. His prior experience includes working as an Associate at Fried, Frank, Harris, Shriver & Jacobson LLP for three years (New York and London) and as a Corporate Legal Counsel at Nokia Corporation focusing on securities regulation.

In addition to heading the firm’s **Capital Markets & Public M&A** (<http://www.borenius.com/services/capital-markets/>) team and our **London** (<http://www.borenius.com/london/>) and **New York** (<http://www.borenius.com/newyork/>) offices, Juha acts as head of the firm’s **Financial Institutions & Regulation** (<https://www.borenius.com/services/financial-institutions-regulation/>) team.

IFLR1000

“Juha is the best. Always available. Always one step ahead. Can’t say enough good about Juha!”

“Excellent character and easy to work with, always happy to help. Strong know-how about ECM transaction and significant international experience and understanding of cross-border aspects.”

“Juha is an outstanding M&A and capital markets attorney. His attentiveness to clients’ needs is unsurpassed. He is innovative, responsive and a pleasure to work with.”

“In-depth knowledge of the capital markets law and regulations as well as practices. Real expert in the field. Provides understandable, pragmatic advice.”

“Solutions-oriented, practical and very responsive. Very good knowledge of the market and great connections internationally.”

“He is an excellent lawyer and a fantastic person to work with. He has sound experience and has been part of many transactions recently. He knows the market practice and law really well. Further, I think the team he has built around him is very good and has good knowledge of legal matters.”

“Very easy to work with, pragmatic and service-minded. He has a strong international network and understanding of US aspects.”

“Juha is a terrific attorney. He is always accessible and very responsive. He gives very practical, commercial advice and has the internal resources to augment areas outside his particular expertise.”

“Excellent work, totally available, amazing understanding of the market. I have worked with many lawyers at the firm and have always been impressed.”

The Legal 500

- Capital Markets (Hall of Fame)
 - Banking & Finance – Key Lawyer
-

The Legal 500

“Juha Koponen is superb. He is professional and always available. He knows why customers are contacting him and/or his team, but what is important, he does not make a number out of it. Mr Koponen has always cleaned my desk from the challenges I have brought to him.”

“Borenius’ team is unique as seldom does one feel like a part of the family as with Borenius. Juha Koponen is always available and does not shy away from challenging situations that require out of the box problem solving.”

“Juha Koponen is key; he has a commercial mind and approach. Juha is really easy to work with and would assume other clients share this view. He is very knowledgeable and solid when it comes to legal aspects in the Capital Market space and beyond.”
