✉ amanda.tamminen@borenius.com

Amanda provides counsel to both domestic and international clients on all employment law matters, such as daily employment issues, employment and executive agreements and terminations thereof, business immigration and mobility, and employment disputes.

Amanda joined Borenius as an Associate in January 2025, after working at the firm as a trainee. During her studies, she also gained experience as a trainee at another business law firm and as an intern at the District Court of Helsinki.

Amanda has studied law at the University of Turku as well as the University of Sheffield in the UK. In addition to law, Amanda has also studied English at the University of Turku.
