✉ essi.lehto@borenius.com

Essi advises our clients on matters related to environmental law and natural resources.

Essi joined Borenius as Associate in 2022, and before that she worked at the firm as a trainee. Essi has also worked at another Finnish law firm as a trainee focusing on environmental-related matters. In addition, Essi has gained experience in administrative processes through an internship in the Administrative Court of Turku.

Essi is currently on court training.
