✉ hannu.tenhunen@borenius.com

Hannu works as our Facilities and Procurement Manager. His role is to ensure that our office space is attractive, welcoming, and productive for all employees and visitors. He works closely with the IT team, being responsible for the physical security of the premises and participating in the lifecycle management of equipment procurement.

Hannu has extensive experience in property management, development, and maintenance. Previously, he has worked at companies such as Newsec and CBRE GWS.

Hannu holds a degree in engineering and has a bachelor's degree in education.
