Mikko advises clients on domestic and international tax matters related to corporate and personal income taxation.

Mikko joined Borenius as an Associate in 2019, and before that he worked as a Tax Advisor at EY where he focused on tax questions related to M&A transactions. Prior to graduating from the University of Helsinki, Mikko worked as a trainee at Borenius as well as at another major Finnish law firm and at EY.

In addition to his law degree from the University of Helsinki, Mikko holds a Bachelor's Degree in Economics from the Aalto University School of Business and is currently working on his Master's degree.
