✉ nora.hietanen@borenius.com

Nora advises both domestic and international clients on all matters relating to employment and labour law. She has experience in employment disputes, corporate restructurings, co-operation procedures, terminations of employment, collective bargaining agreements, terms of employment as well as occupational safety and health matters.

Nora joined Borenius as an Associate in December 2021, and before that she worked as an Employment Lawyer at another Finnish business law firm. Prior to her graduation, Nora has also gained experience by working as an Associate trainee at other international business law firms in Helsinki.

In addition to her law studies at the University of Lapland, Nora has studied law at the University of Saskatchewan, Canada.
